Pat Hennessy, Liquor Store Manager, reviewed the liquor store budget with the council. Liquor store revenues are up from last year. There are 2 full-time and 7 part-time employees. The liquor store contributes \$200,000 to the General Fund every year. We are not expecting any unusual costs. A new camera system was installed this year and has helped getting NSF checks paid, correcting errors and assisting in investigations. The liquor store has teamed up with Coors Light to create a drop off location for food shelf items.

The council will discuss the general fund budget at the next worksession.

The meeting adjourned at 4:05 p.m.
