

CITY OF GRAND MARAIS
WORKSESSION MINUTES
June 14, 2006

Mayor Sandbo called the meeting to order at 3:30 p.m.

Members present: Mark Sandbo, Tim Kennedy, Edward Bolstad, Kay Costello and Bob Spry

Members absent: None

Staff present: Mike Roth, Don Davison and Kim Dunsmoor

Council reviewed the *Draft Safe Harbor and Planning Cooperative Agreement*. Council would remove items e, f, g, and h regarding Phase II environmental studies of the States Duties and Responsibilities section. The Public Utilities will move forward with the environmental studies and removal of the old power plant. The city should have the same withdraw/cancellation options as the state.

Council reviewed the *Draft Request for Proposals*. Council would question and/or remove statement anticipating that the marina and basin will require removal of rock and soil inland from the existing shoreline. Council questioned meeting existing slip requirements vs. meeting existing and anticipated future slip requirements. Goal paragraph includes environmental – does it refer to general environmental or Phase II environmental studies? Meeting place should be Grand Marais, not Two Harbors. The Park Board or Park Manager should be on list of those interviewed. Council would like one of the concept drawings to be at the existing marina location. Enhanced images should be Photoshop and tif or jpeg, not Photoshop alone. Views should include from recreation park area rather than old ski hill. Concept plan should include landside facilities.

There being no further business, the meeting adjourned at 4:25 p.m.
