

TextMyGov Announcement

The City of Grand Marais is thrilled to introduce TextMyGov, a convenient and smart text messaging service! This service will enable residents to effortlessly receive important notifications from the city.

The City will officially launch the new text messaging system to the public on 2-21-2025. Residents may receive a text message from **91896** from the City initiating the service. You can choose to opt-out at any time by texting **STOP**.

If you don't receive the initial message, you can choose to opt-in by texting the keyword **"GMAlerts"** to the number **91896**. After sending the initial keyword, you will be asked to reply **"YES"** to confirm opt-in. Residents may receive notifications for **Utility Outages, Road Closures and Public Hearings**, etc.

We're excited about this new way of communicating with residents and look forward to sharing important city notifications!

Patrick Knight
Communications Director
